**You are Welcome Here (lyrics and music by Lena Nazeli):**

Each and everyday I pray that in some way we will find world peace. We need to get it done today, so that the world can say "I love you" at the very least.

And I can't do it alone. I need you by my side, by my side.

We need to do it together. We can't hide, we can't hide.

**Chorus:**

No matter who you are, or where you are on life's journey; you are welcome here. And if we keep the faith, you know that we can stay, together. Cause we're all welcome here. You are welcome here.

**Verse:**

I know that sometimes it feels slightly hard to do what's right. But do it anyway to help.  
In this world, far, or near; we can all make a difference here.  
And when you do it isn't hard to tell.  
And I can't do it alone I need you by my side by my side.  
We need to do it together. We can't hide. We can't hide.

**Chorus**

Together it is better, for all. And forever, we will be... As one.

**Chorus**
